

Name: _____

Date: _____

Convert 12-hour clock and 24-hour clock times

am times

To change am times to the 24-hour clock just put a 0 in front of the hour (except for when the hours are 11 or 12)

pm times

To change pm times to the 24-hour clock just put add 12 hours (except for 12.00 midnight, which is shown as 00.00, not 24.00)

Rememeber: 12 midnight is 12am and 12 noon (midday) is 12pm
