- the books do not include the 2nd 'practice' sheets with the 'fill in the blanks' sentences
- you only get the one version i.e. you do not get the 'plain text', 'no-lead-in strokes' and 'with lead-in strokes' versions
- you may have to pay for the book/s to be delivered
- if you lose the book, you will no longer be able to access the worksheets and the passwords
- if you need to photocopy the book in black and white, the words to trace over may not photocopy very well
