ai words 4

The long (a) sound is often represented by the letters ai when it comes in the middle of words, like in the words below.

Remember: Say the word aloud, then say each letter aloud **as you write it** e.g. 'wail, w ... a ... i ... l'

To **wail** means to cry loudly.

Frail is another word for weak.

A lion can **maim** you with its claws if you get too close to it.

If you are **vain** that means that you love yourself too much.

A dog can be kept on a **chain** so that it can't go wherever it wants to.

Acclaim (ac/claim) is another word for praise.

What does your packed lunch **contain (con/tain)**?

Some division calculations leave a **remainder (re/main/der)**.

Afraid (a/fraid) is another word for scared.

A **straight** line does not curve or bend.

Now test yourself without looking at the words and **check for yourself** if you got them all right. Practice writing any words that you made mistakes on again.
