

Name: _____

Date: _____

eu and ch words

Very few words use the letters eu to represent the long (u) sound.

Very few words use the letters ch to represent the (sh) sound.

Remember: Say the word aloud, then say each letter aloud **as you write it** e.g.

'Europe, E ... u ... r ... o ... p ... e'

The UK is part of the continent of **Europe (Eu/rope)**.

A **feud** is an argument that has gone on for a very long time.

A referee needs to be **neutral (neu/tral)** (to not favour either side).

To feel **euphoria (eu/pho/ri/a)** means to feel extremely happy.

A **euphemism (eu/phe/mi/sm)** is a nice way of saying something unpleasant.

Pneumonia (pneu/mo/ni/a) is a disease that causes problems with lungs.

A **chef** cooks meals for a living.

A **chalet (cha/let)** is a small wooden house.

A **brochure (bro/chure)** is a book that advertises a place or a service.

People use a **parachute (pa/ra/chute)** when they jump from a plane.

Now test yourself without looking at the words and **check for yourself** if you got them all right. Practice writing any words that you made mistakes on again.
